They've got the brawn!

This year our wrestling team has engaged in dual meets with Moorhead, Morris, and Grand Rapids. The highlight of the season was the Aggie Conference at Morris. This meet which takes place every year in March brings the three ag. schools together to compete for

the coveted trophy. The "grunt and groan" tactics of some professional wrestlers are not developed in our team members. Instead, Phil Larson, our new coach, trains his boys in coordination, quick thinking, and stamina which will be valuable to them in future years.
