

"Meet me in St. Louis, Louis"

Director Mrs. Alice Ittner and assistant directors Pat Jensen and Rita Johnson beam after the big production.

For weeks after the presentation of "Meet Me in St. Louis" by the senior class last year, everyone was humming the tune by the same name.

Superb performances were turned out by those cast as members of the Smith family. Ted Aas, Agnes Chruszch, Jean Anderson, Nyla Finney, Alice McDonald, Harriet Lydick, and Roger Kasprick played these roles.

Others in the cast of the three act comedy were Lyle Tollerud, Doreen Handley, Maxine Moritz, Estle Eisert, Kenneth Szymanski, Allen Love, Viola Jensrud, Dennis Warnes, John Johnson, and Russell Milner.

Harriet Lydick torments Dennis Warnes.

Everyone on stage for curtain call!
