

OFFICE PERSONALITIES

Head secretary, Margaret Fyelling, and her assistants, Mrs. Gebhardt and Mrs. Schwartzman, handle all the correspondence and routine office work for both the school and experiment station.

Kate Bedard, head accountant, sees that the money coming in and going out strikes a happy balance.

An integral part of the school is the library presided over by Berneil Nelson, who is also secretary to Mr. Reiersgord. Pictured with her is Lillie Huot, standing.
