Muscle Men

The 1951-52 wrestling squad is well represented by seven returning lettermen. Under the effective coaching of Phil Larson, the Aggies proved themselves superior over two strong and well coached teams at the beginning of the season, beating Moorhead by 28-14 and Morris 22-19.

We participated in eight meets—two each with Moorhead, Morris, Fergus Falls, and Hibbing besides the Aggie conference.

About thirty boys turned out for wrestling practice at first, but the number dwindled down to nineteen because excessive practice and strict physical training are required to get into shape and stay on the squad.
