

# Y Members Set Campus Standards

Tri-Hi-Y officers install members at candle lighting ceremony.

Tri-Hi-Y and Hi-Y officers: President Betty Ann Johnson, JoAnn Flatten, Edith Bergeson, Estelle Flatten, Paul Bergeson, Rodney Mosher, Elmer Halstensgaard and President Lorne Johnson.

The sympathy of our Tri-Hi-Y and Hi-Y members lies with the crippled children of Minnesota. The girls spend some time each fall creating appealing scrapbooks for the amusement of these children.

It is our endeavor to make the campus way of life a life of Christian ideals that set an example for all around us. The conduct of students in the dining hall, dormitory and classrooms is our particular concern. Discussion groups are aimed at improving faculty-student relationships and in creating a better understanding between the boys and girls on our campus.

Each year a delegation of boys and girls attends the Northern Minnesota Conference. We are very proud this year of the fact that one of our girls, Estelle Flatten, became secretary of the Conference. Tri-Hi-Y and Hi-Y advisers were Miss Bede, Mrs. Youngren, Mr. Reiersgord, and Mr. Sumption.
