

## Dedication

This year the Senior Class is dedicating our "Aggie" to Mr. Reiersgord, who has given us his unfailing interest and enthusiasm. As our class advisor for the past four years and instructor we have come to know him as one to depend on for his view-point and earnest desire to help every student. He first becomes known to us as registrar and from then on he becomes an important person in our everyday lives. We hope that our book will be an expression of our appreciation for the many services he has offered us as students of the Northwest School.
