Herman F. Skyberg, Fisher  
Sheldon V. Wood, Minneapolis

## Administration

Since the Northwest School and Experiment Station is a sub-division of the University of Minnesota it presents a job not many people would be eager to handle. However Superintendent T. M. McCall does a job well-worth recognition. Although the school year lasts only six months his job consists of a year-round schedule.

T. M. McCall  
Superintendent, Northwest School and  
Experiment Station
