The two long lines of students at the Dining Hall three times a day indicate that we are looking forward to an appetizing meal prepared and served by the kitchen and dining room staffs under the able direction of Miss Kingston, our Dining Hall Matron. When we have an errand uptown we look for "Andy" and the bus, then off we go. Andy is always ready with a smile and a helping hand for everyone he meets. Our janitors keep our buildings clean, warm, and pleasant to be in. During the winter it is not an uncommon scene to see the janitors making a path through the snow for us.

Our Janitors

Max Rux, Henry Vietor, Wilbur Parkin, Ray Nelson.
