Parents Day

The day before Thanksgiving our parents visit our classes, enjoy a dinner at our Dining Hall, and view our home projects. At the afternoon program the girls model the dresses they have made during the summer. The boys review home projects of horticulture, animal husbandry, agricultural engineering, agronomy, and poultry. Music played an important part in the program. Marlys Love and Adelle Larson played a piano duet. The Girls Glee Club, the Triple Trio, and the Mixed Octet sang under the direction of Miss Harman. A cast including Beverly Schroeder, Norma Nielsen, Shirley Willett, Ronald Christianson, and Ernest Taus presented a one act play, IT HAPPENED TO SWEENEY, under the direction of Mr. Singelstad. After the program we went to the gym where our parents viewed the remaining exhibits. After a cup of coffee and a doughnut, we were homeward bound for our Thanksgiving vacation.
