### Mixed Choir

## Music is fun for everyone.

Our music world is broadened under the guidance of Miss Harman and Miss Croal. We work hard in our choral groups to perfect our songs. Even though Miss Harman demands precision, fun is always mixed into our rehearsals making them more enjoyable. We look forward to two big events, the Christmas and Spring Concerts. We put forth our very best to give a good performance.

Individual voice and piano lessons are also given to the students that request them. These students show their talent at the annual spring recitals as well as at various other times throughout the year.
