

H. J. SLOAN
Director of Experiment Stations

HAROLD MACY
Dean of the Institute of Agriculture

T. H. FENSKE
Assistant Dean of Agriculture

The Northwest School and Experiment Station, together with the other Agricultural Schools in Minnesota, are under the guided direction of Dean Harold Macy and his associates in the Institutes of Agriculture. Assistant Dean T. H. Fenske is the immediate superior to the Superintendents of the regional Schools of Agriculture.

MR. T. M. McCALL
Superintendent of the Northwest School
and
Experiment Station
