IN MEMORIAM

ELSIE KINGSTON

When Miss Elsie Kingston returned to the Northwest School Campus in September, 1952, little did we realize that soon she would be taken from us. Upon her death we lost one who gave sincerely and freely of her time and talents. As dining hall matron and instructor in quantity cookery classes, she earned the highest respect and admiration of all. Miss Kingston will always be remembered by faculty, alumni, students and friends of the Northwest School.
