OUR PRECEPTORS

Mrs. Erickson

Phil Larson

If we were to go to Stephens Hall, we would see Mrs. Baker and Mr. and Mrs. Lysaker busy helping their boys. For many years they have applied their understanding and wisdom to these sophomore and junior boys.

In the New Dorm we find Mrs. Earle, Mrs. Gackowski, and Mrs. Larson managing the girls. They were well taken care of by the house mothers' careful attention in making everything as pleasant and home like as possible.

Mrs. Erickson and Phil Larson supervise Selvig Hall where the freshman boys live. These preceptors have a large task of guiding these boys in their new venture. Robertson Hall is under the direction of Mr. Mlinar and Mr. Kruta. The senior boys find it a very pleasant place to return to after school or after an evening out.
