OFFICE PERSONNEL

Our office personnel occupy a very important position in a school such as ours.

Margaret Fyelling is principal secretary for the superintendent's office.

Our accountant's office is well managed by Lillie Huot and her assistant, Mrs. Christian.

Mrs. Gebhardt and Edith Bergeson are assigned to the information office and they serve as secretaries to the faculty.

Silence in the library is maintained by a cheerful "sh" from Miss Nelson, who also serves as Mr. Reiersgard's secretary.
