

DEDICATION

We, the Senior class, take great pride in dedicating this, the '55 Aggie, to Mrs. Alice Baker and to Mr. and Mrs. Henry Lysaker for their unlimited enthusiasm in making campus life as pleasant and enjoyable as homelife.

For all who have encountered them during their daily tasks they have always had a friendly word and a cheerful smile. As friend and preceptor, they have gained the respect and admiration of the boys in Stephens Hall whom they have faithfully counselled and guided during their years on the Northwest School campus.
