

## HOME PROJECT AWARD WINNERS

Marilyn Balstad, Loren Volland, Walter Fehr, James Paulson, Orvin Drangstveit.

Parents' Association Officers: Morris Grove, McIntosh; Delmar Hagen, Gatzke.

## PARENTS DAY

Parents Day occurs each year on the day before Thanksgiving. On that day we exhibit the best examples of our Home Project work which is completed during the summer. These projects, which are required for every student, give us an opportunity to demonstrate the skill we learned during the previous school year.

Our exhibits consist of clothing, homecrafts, and canning prepared by the girls; the boys show samples of the crops or gardens they have raised. The boys also have several mechanics, livestock, and agronomy projects from which to choose their summer's work.

The finishing touches.
