Judging Teams Pick The Winners

The three judging teams of our school, Potatoes, Crops, and Livestock, find their classes entertaining, as well as educational. The groups meet at scheduled times, and with the help of their advisors, learn their particular phase of judging. The advisors who do a splendid job are: Mr. B. C. Beresford, Potatoes; Mr. O. C. Soine, Crops; Mr. Reimer, Livestock. The teams judge once a year at the Winter Shows where they always do well.
