This is the first year that Northwest School students have had the opportunity to belong to a Photography Club. The club was started by the advisors, Mr. Soderburg and Mr. Beresford, and the officers who are Roger Tollefson, President; Terrance Hovet, Vice-President; and Dale Johnson, Sec.-Treas. The meetings on Tuesday afternoons are spent learning how to operate cameras, develop pictures, and operate a movie projector.

Every Tuesday night from November to March the Potato Judging class meets. Here with the aid of their fine advisor, Mr. Beresford, the students learn how to pick our different varieties of potatoes and the different types of potato diseases on both the tuber and the plant. Before the Potato Judging Contest at the Red River Valley Winter Shows, Mr. Beresford chooses a team of three based on the students record of judging during the classes.
