

FRONT ROW: Mrs. M. Peterson, Advisor; John Swanson, Treasurer; Betty Straus, Treasurer; Mr. Deidrich, Reimer, Advisor. **SECOND ROW:** Mylo Carlson, President; David Carlson, Vice-President.

SENIORS

Another great step in the development of our life, that's what the members of the senior class will say on graduation day. It is indeed a great step in our lives all preceded by smaller steps we have taken these last four years. Remember when we were timid freshmen and wished that we were big Seniors. And then as a Sophomore we had the big thrill of preparing the prom banquet, our first big banquet. And then a busy year comes along. First there was the class play "Who Wouldn't Be Crazy?" which took a lot of patience and work but it was worth it. We will always remember our prom. The fun we had arriving at the theme which we finally called "Come to the Fair." The dance after the banquet was a thrill we will never forget. Finally we arrive at the great year and we receive the coveted title of Senior.

Even now and for many years to come, we will look back at all we have alone done and accomplished. The friends that we made. The excitement and thrills we have had, these all add up to make us Seniors and it makes us proud.
