Anyone interested in cameras or darkroom work is welcome to join the Photography Club. For every meeting there is a different program, such as how to operate a movie projector, making enlargements in the darkroom, or how to take indoor pictures.

This year the club held a contest with each member making an enlargement. These were judged by various members of the faculty. Mr. Beresford is the faculty advisor.

# POTATO JUDGING

Potato judging is a group organized for the purpose of learning more about the different varieties of potatoes and how to recognize the different diseases and insect pests which often harm potatoes.

During the Winter Shows week a team of judges is chosen to represent the school in the potato judging contest. From this group, the top three judges are awarded letter "A's" by the school. Mr. Beresford is the faculty advisor for the group.

Mr. Beresford, Joel Riendeau, Francis Schanilec, David Paschke, Gary Setterholm, Robert Schroder, Thomas Tucker.
