

WRESTLING

Mr. Stout; Coach

Because we are a six month school and our yearbook is sent to press before the wrestling season is over, we are never able to give the wrestling scores for the school year. However, for the past two years our wrestling team has done exceptionally well with eight wins and one lost in the '56-'57 season. We also won the Aggie School Conference that year. The '57-'58 season was almost as good with nine wins and three losses. We took third place in the Aggie School Conference that year.

Our able coach, Mr. Kruta, has left us this year to finish his law degree at the University of North Dakota. Mr. Stout, our coach, who replaced Mr. Kruta, has also done an exceptional job in coaching.

We have all found great fun in the sport of wrestling. We are grateful to you, Coach Kruta and Coach Stout, for your fine leadership and understanding that has produced winning teams. Thanks for all you have done for us.
