Michael Dufault

Richard Gatheridge

Kay Haugen

Roger Mishel

Mary Ostrum

Jane Stromstad

Leeila May Tvinnereim

### TROMBONE

Bradley Cook

Roger Odegaard

David Tucker

Keith Wentzel

The band this year is made up of 35 players. The distribution of instruments is much better than in the past 3 years and plays a better grade of music because of that.

Rehearsals are held regularly each Monday and Thursday during the assembly hour and lessons are available for all members in addition to the band rehearsals.

In addition to the regular band members 10 new players have started on instruments this year and will be in the band before the year is up, swelling the membership to 45.

The band went to Moorhead October 27 to hear the Marine Band concert. A performance at the Parents' Day program November 26 was cancelled because of a storm, but the band played at the annual Red River Valley Winter Shows, appeared at some of the basketball games, and presented a spring concert.

The band is one of the activities made available by the Northwest School to help the students in the development of talents and interests in addition to the regular curriculum.

Here we find Duane Ophdahl, Milton Schumacker, and Fred Lundgren taking a private lesson from Mr. Harris.
