Coach Kruta; Co-captains, Terry Nelson and Kenny Straus.

Wrestling is a sport in which you have to be in top physical condition and always have the want-to-win feeling. We had 25 to 30 eager to learn and win wrestlers out this year, and it resulted in a very good season.

Our excellent coach, Mr. Kruta, and our co-captains Terry Nelson and Kenny Straus did a fine job in coaching and leading us through a successful season in which we lost only one meet the first semester.

This year, unlike last year, we came back on December 28 and 29 to work off some Christmas turkey and get in shape for the second annual Bison Invitational Meet at North Dakota State College. We placed first of the sixteen teams entered, and Morris High, the defending champs, placed second.

Co-captains Kenny and Terry and returning lettermen plus first year men are responsible for the accomplishments of the Aggie wrestling team.
