

Music

Band

Director: Mr. Harris

The Northwest School band is composed of 34 members under the able direction of Jack Harris.

A new rehearsal schedule which enabled the group to meet every evening, instead of only two nights a week, proved successful by the results of performances.

The events in which the band displayed their talent and introduced favorite musical compositions were Parents' Day and the spring concert. At the Homecoming football game the band had the occasion to perform in a truck box. Basketball games and the Red River Valley Winter Shows were other events the band participated in.

Anyone is eligible to join band. All that is required is interest. It is an extracurricular activity to develop musical talents and give enjoyment to one's self and others.
