# Music Officers

## IT'S A GREAT LIFE SINGING

Monday, Wednesday, and Thursday of each week at 10 A.M. the mixed choir slowly enters an empty auditorium to begin an adventure in learning the art of singing.

Many smaller groups and soloists are also trained for their parts in the roles they play when concerts are presented. A duet or quartette may also perform for a special part of an assembly program.

During choir rehearsals the participants work for perfection of the various songs to be presented at the annual Christmas and Spring Concerts, and Parents' Day. Graduation and baccalaureate exercises are also special events at which the musical groups perform.

Rodger Kluzak, president; Bette Hovet, attendance reporter; Mary Ostrem, secretary; James Hanson, vice-president; Mrs. Berg, director.
