

Parents' Day

A mother registers and receives the information about the day's activities.

Many fine displays were set up by the Academic Staff in the Gym.

The class in electricity had a display that caught the eye of many of the parents.

Mr. Heckman demonstrated to many visitors the different techniques used in his Remedial Reading program.

A wonderful dinner was served to both parents and students at our cafeteria.

The Parents' Association holds its fall meeting on Parents' Day to nominate new members and discuss issues of importance.
