National Honor Society

Officers

In accordance with its national charter, scholarship, leadership, character, and service are the four main points that are taken into consideration when a person is nominated for admittance into the National Honor Society. In order to be a member in this organization, one must maintain a scholastic average of 3.00 throughout his high-school years, have an excellent character, and show a willingness to serve the school. Twelve members are elected annually, six from the senior class and six from the junior class. They are elected by the faculty and the former members of the society. The newly elected are inducted into membership in a formal ceremony at an assembly near the end of the school year.

Some of the various duties of this organization are to take roll at every assembly and serve coffee in the gymnasium on Parents' Day. Meetings are held when the necessity arises, with Mr. Reiersgord acting as advisor.

President Ernest Swift
 Vice-President Rodger Swanson
