With the addition of new vestments acquired this fall the choir has made a fine appearance at the Parents' Day ceremonies, and will take part in the Christmas program on December 20 as well as singing for the play "When The Chimes Rang." The choir will also take part in spring festivities; the Baccalaureate service, Graduation, and the spring concert. We have a male quartet and male octet and a small girls' chorus that will take part during the Winter Shows.

The girls' glee club that meets on Monday afternoons to practice, will sing at the Christmas Program and the spring programs as well as at the Spring Concert. At these practices the girls work out the trouble spots in their songs and under Mr. Thorson's excellent direction they try to get the songs worked up to near perfection.

Mr. Thorson is the director for the band, choir, and all the musical organizations. We call him the "The Music Man."
