G. A. A. Loves Activities

G.A.A. offers many individual activities. The girls interested in these meet weekly, each working to improve her skill and enjoyment. Good sportsmanship, co-ordination and teamwork are also a part of the G.A.A. program. Working together on individual sports, under the supervision of Mrs. Reynolds, the girls learn from one another.

Every month interest seems to develop more. Girls practice their individual sports or compete with each other. Sometime this year we are expecting that they will have an open-house for the faculty and students. I'm sure that a good time could be had by all!
