Cooks

Besides feeding hundreds of students and teachers each day, this crew, with the guidance of Mrs. Brown, plans and prepares many dinners and luncheons. Sports dinners, District School men's banquets, the spring banquet, and a host of banquets are served during the Winter Shows.

Perhaps we take these people for granted—who give so generously for our benefit—their time. For the most part, they are the truly behind-the-scenes workers.

Mrs. Brown, who is better known to the students as "Ma" Brown, has a very tight schedule during each day planing out the meals and seeing that everyone is getting fair treatment both in the "Aggie Inn," and the cafeteria.

Mrs. Myrtle Brown is the manager of our very fine cafeteria.
