Contrary to what you may think, the Northwest School chorus does sing. We sing anything from the light, carefree "Mexican Christmas Processional," to the somewhat joyful and patriotic, "This is My Country."

We sing for you whether you appreciate it or not. All you have to do is make an appearance at the Kiehle Building on Wednesday morning during assembly period to hear the mixed chorus hard at work getting ready for the Christmas concert or graduation. Whenever we need extra practice sessions, Mr. Thorson is always willing to work with us and help us become a better sounding unit.

This is a potpourri of the choir as they wear their robes for the first time this year in preparation for the camera, whose "big eye" is always ready to catch people off guard.
