

Instrumental Music Develops Skill

Beverly and Carol take a break and have fun playing--you guessed it, Chopsticks!

The piano department offers a level by level course of study in keyboard harmony, technique, repertory, sight reading, and theory up to and including college level studies.

Mr. Anderson, piano instructor, demonstrates the arm attack technique to Beverly Shelstad, Gary Tvinnereim, Bruce Stromstad, Elaine Askeland, Cheryl Lund, Evelyn Ackerland, and Carol Fehr.

Two organ students, Carol and Beverly, enjoy a romp on the two manual organ in Kiehle Auditorium. Beginning organ is offered in our music department.

Gary, Beverly, and Carol, three top students in the piano department, took part in last year's M.M.T.A. district and state contests at the U of M. Beverly won our school's top achievement award in piano and this year is receiving stiff competition from Carol and Gary.
