

Student Government

Students are given a voice in school affairs through the Student Council, their mediator between the faculty and school issues. The representatives of this group are elected after student nominees have conducted their campaigns.

The council not only serves as a student governing unit, but it also is quite effective in training students in conducting good campaigns and learning and practicing the basic principles of good parliamentary procedure.

Student Council members are always very active on Parent's Day when they conduct parents on tours of the classrooms and show them the campus.

Elected as officers of the Student Council for the 1962-63 school year are: Allan Stromstad, Vice President; Shirley Piker, Secretary, Dennis Diamond, President.
