

# Campus Clinic

One of the buildings on the campus is the Health Service. This is where we all go to receive our shots and to be treated for our various ills. The upstairs of the building is equipped with beds for those who are feeling very sick and need to be confined to bed with care.

Mrs. Kruta becomes very busy taking students to the clinic downtown and making trips to the hospital when winter comes, bringing along with it colds and flu bugs.

MRS. RUTH ANN KRUTA, Warren, Minnesota.

R.N. Kohler Hospital School of Nursing,  
P.H.N. University of Minnesota.

Public Health, Home Nursing, School Nurse.
