

MR. ROBERT HECKMAN, Fertile, Minn.
 B.A., Concordia College
 English, World History, Band, Yearbook Advisor,
 Remedial Reading

English Classes

In English we learn grammar from the ground up, applying all of the skills that we have learned and are learning through our grammar classes. There are times that we really wish that we knew everything there is to know when it comes to the tasks of writing themes and term papers.

Reading is a matter of necessity these days and it can become a source of pleasure as we are exposed to the finest examples of British and American humor, satire, and drama.

MR. DONALD BERGQUIST, Adams, N. Dakota
 Ph.B., University of N. Dakota
 English, American History, Counselor; Robertson
 Hall
