Mixed Chorus

Sounds of a piano and voices filter down from the auditorium during assembly period as Mr. Kvamme and the Aggie singers practice for their next performance. The chorus this year presented its first concert on Parents' Day and introduced Sweet Violets which was on the tongues of everyone for more than Parents' Day. Mr. Kvamme, with the help of the girls' chorus, put on a sing along with Kvamme during assembly period. The program put on by the chorus at the Christmas program did much to add to the Christmas spirit.

Mr. Kvamme, does many of the arrangements himself and even writes a few songs. He makes his programs interesting. Mr. Kvamme's musical experience is not just limited to chorus director here at the Northwest School. He is the better half of a duet called the Harmony Twins that sing for various occasions throughout the valley.
