N.W.S.A. CROSS-COUNTRY

Captain Dennis Stahn announced that this year's team had a very successful season despite heavy competition in invitational meets, heavy traffic in Fargo, and with a very few experienced men returning. One of their chief goals was to defeat Crookston Central. This is cross country, the toughest sport of all. There are no substitutions, no bands playing, or cheering by cheerleaders to urge them on, and there is no chance of passing the blame for his own poor performance onto a teammate. Each man is on his own and can prove his ability for all the world to see.
