

Aggie Wrestlers

All set! Ready! Wrestle! This is the summons that brings out many of the school athletes to tangle with one another. There are several of the lettermen and veteran wrestlers returning to the mat this year. The team, under the able direction of Coach Rodney Mosher, will pin their opponents to the mat with a flourish.

Coach Mosher, with co-captains; Larry Paupst and Steve Beyer, seems to be working on a strategy to be used at the next wrestling meet.
