

**OUR PRESIDENT:** Dr. O. Meredith Wilson; president, University of Minnesota.

**OUR DEAN:** Dr. Sherwood O. Berg, Dean, Institute of Agriculture, University of Minnesota.

## University Administration

The Senior Class of the Northwest School and Experiment Station, wish to extend to our new Dean and Board of Regents, who have just become members of the board, a hardy welcome and a wish that they will have many years to serve the University and its students.

### *Our Regent*

One of the foremost members of the University Board of Regents is our Regent, Herman Fridtjof Skyberg, a native of Fisher, Minnesota, where he has resided and farmed for a number of years.

Mr. Skyberg was educated in Bygland township school district number 4, Polk County, Minnesota. Upon completion of his grade school education, Mr. Skyberg attended the Northwest School of Agriculture, Crookston, Minnesota, where he graduated in 1916.
