

# Orientation

"Ma" Brown meets with the Freshman girls every week and Mr. Lysacker meets with the Freshman boys to help develop better manners, more pleasing personalities, and more organized study habits, to enable these Freshmen to become better students. Another purpose of this class is to help new students with any problems which may arise. It helps the Freshmen make the adjustment to high school, and to life here at the Northwest School.

MRS. MYRTLE BROWN, Crookston, Minnesota, Bemidji State Teachers College; Dietician, Orientation, Aggie Inn.
