

Carpentry Club

Pictured above, Stanley Overgaard, club president, is shown conducting a weekly meeting.

Allen Bushee, secretary and Marvin Peterson are operating a miter box saw under Mr. Menzhuber's instruction while Stanley Overgaard, president and Mark Moe, vice-president look on.

With the help of a few able hands, a stage prop is about to be finished and covered. In addition to making articles for school use, the boys also construct a Christmas present for their mothers each year.
