

Basketball

The basketball season began with twelve eager "A" squad members and a very good "B" squad, that showed a lot of individual ability. Each team played well and won many exciting games. One of the highlights for the team this season was when they placed fifth in the Fort Garry Invitational at Winnipeg, Canada.

Leadership this year was supplied by James Coauette. He and the team worked well together to produce the fine team that we have. Jim was not only a hard-working captain, but a leader who led the team through many fast moving games and provided a spirit making the games interesting. Next year, Coach Lysaker can look forward to a team that has a lot of ability and a team which will be hard to beat.

The captain of the basketball team this year, James Coauette is shown shooting for a basket.

Although he did not do much playing with the team this year because of illness, Conrad Larson was always behind the team wishing them victories.
