Due to the loss of graduating lettermen, the returning players and transfers have a big job ahead of them, to win games this season. Coach Lysaker said the team will be strong this year although it lacks height. To overcome this handicap, he plans to use a fast break and a very effective defense. With Brian Bohnsack as captain, the team has a lot of enthusiasm. He is not only a leader but a great competitor as well.

Our mighty "Aggies" opened their 1965-66 season by placing second at the Fort Gary Invitational Tournament in Winnipeg. Another big moment for the boys was the exciting one point victory over Crookston Central.

Aggies take possession of the ball as Larry Whetzel takes the rebound.

That's the way the ball bounces! Neither team was able to catch that rebound.
