

Wrestling

If you don't like basketball and you would rather not sit in the dorm, then go out for wrestling. This very popular sport helps to develop quick thinking as well as good co-ordination. It not only gives you an opportunity to build up your body, but hours of enjoyment as well.

This has been an outstanding year. With our co-captains, Donald Kovar and DuWayne Johnson, the team was very strong. Our coach, Rodney Mosher, gave much of his time to develop a more powerful wrestling squad.
