

English

Part of the plan for growth and development necessitates a varied but challenging background in the complexities of grammar and American as well as English literature.

This most complex and trying world, with all its problems and challenges, could never persist without two of the "R's." Spelling is certainly to be classified as one of the essentials as well as exposure to the various types of literature such as the essay, biography, novel, short story, plays, and poems.

MR. DONALD BERGQUIST, Adams, North Dakota; Ph.B., University of North Dakota; English IV, Geography; Counselor, Robertson Hall.
