

MR. JOSEPH MAZZITELLI, Crookston, Minnesota; B. A. , College of St. Thomas; Graduate Work: University of Minnesota, University of New Mexico; Speech, American History, World History; Assistant Football Coach.

"Anyway I can help you?" That is a statement often heard by the students of Mr. Mazzitelli's speech class. The students here at the Northwest School are very fortunate to be able to participate in speech. The class consists of giving a variety of speeches, along with the holding of debates, panel discussions and also spending some time on Parliamentary procedure. Speech training is a great help to you in your future years. If you give a speech or are called on to give a talk this will be the most valuable training you can receive in high school.

PICTURED ABOVE is Robert Weiland giving one of his six speeches.
