

DR. HARVEY WENDELS, Crookston, Minnesota; B. S., University of Minnesota, St. Paul Campus, Ph. D., M. S., University of Minnesota; Livestock Management, Animal Breeding, Livestock Feeding.

DR. GEORGE MARX, Crookston, Minnesota; B. S., Wisconsin State University, M. S., South Dakota State University, Ph. D., University of Minnesota; Livestock Management and Feeding, Dairy Production.

Dr. Windels, a nutritionist, teaches the practical aspects of the feeding, breeding, and managing of beef cattle, sheep, and hogs. His research and teaching efforts are directed toward improving of livestock production, which in turn results in a greater net return from livestock.

Dr. Marx teaches and does research in the area of dairying. In his teaching he emphasizes the feeding, management, and breeding of better dairy cattle. Production of quality dairy products and herd records are also an important aspect.
