

MR. HARRY SODERBURG, Crookston, Minnesota; B. S., M. A., University of Minnesota; Gas Welding, Arc Welding, Farm Machinery, Farm Home Equipment.

Welding

Have you noticed all those handsome young men at Owen Hall all decked out in coveralls? They are the boys that really make the sparks fly in Mr. Soderburg's gas and arc welding classes.

Mr. Soderburg has all of his students begin their welding classes with very simple exercises and gradually advances them to more complex projects in gas and arc welding.
