## Headwaters Club

Those students privileged with membership in the Headwater's Club are the outstanding citizens of our school. They are selected by the faculty and fellow students. Each fall these young people attend the inter-school leadership camp at Itasca State Park.

Dr. Youngquist, of the Northwest School, and the late Dean Fenske, Associate Dean of the Schools of Agriculture of the University of Minnesota, were those instrumental in organizing the camp.

Officers this year are: President, Eugene Evenson; Vice-President, Earl Strande; and Secretary, Bruce Stromstad.
