Chorus

During the assembly period sounds of a piano filter down from the auditorium, as the Aggie Chorus practices for its next performance. The Aggie singers, with the help of their leader, Mr. Kvamme, entertain our parents on Parents' Day each year. Another Hootenanny is being planned for one of the assembly periods. The Christmas program put on by the chorus adds much to the festive spirit of Christmas and is always a highlight of the year.

Pictured Above are Duane Dahl, Marcia Heglie, and pianist, Susan Dahl, practicing their solos.

They're a hopeless case, right Mr. Kvamme?
